

INTRODUCTION

My goal is to provide a comprehensive framework to help you facilitate significant life changes. Your first appointment will serve as a biopsychosocial intake appointment. During this intake, I will ask you to answer a series of questions to obtain detailed information about your current emotional state and history. By the end of your first appointment, I will provide an initial recommendation regarding the type of treatment that is best suited for you.

My therapeutic orientation incorporates principles from ancient traditions, contemporary academic research, and experiential knowledge to help you identify problematic sources of emotional strain and barriers to love, success and happiness. During your second session, we will create a treatment plan to structure all sessions thereafter.

ABOUT SHEA GRAHAM LLC

I have ten years of counseling experience in diverse clinical settings including family centers, methadone clinics, drug rehabilitation centers, and universities. I earned my bachelor's degree from The University of Virginia and master's degree from Columbia University. Additionally, I received post-graduate certification at Harvard Medical School in meditation and mindfulness and the Center for Practice Innovations at Columbia Psychiatry New York State Psychiatric Institute. I am a certified clinical trauma specialist and clinical social worker. I love therapy because I believe it is the perfect problem-solving option for people searching for a confidential and effective support system outside of family and friends. My approach to therapy is highly structured, evidence-based, and comprehensive.

This document contains important information about SHEA GRAHAM LLC professional services and business policies. When you sign this document, it will represent an agreement between you and SHEA GRAHAM LLC.

SHEA GRAHAM LLC SERVICES

SHEA GRAHAM LLC provides both coaching and psychotherapy services. If you are currently receiving treatment from a doctor or other healthcare professional, by entering into this agreement you confirm that you have consulted with this person regarding the advisability of working with a licensed psychotherapist (LCSW) and that this person is aware

of and supports your decision to proceed with the SHEA GRAHAM LLC. You will notify SHEA GRAHAM LLC of any changes to your medical health or personal circumstances. SHEA

GRAHAM LLC will not work with clients with neurodevelopmental disorders, psychosis or who are under the influence of an illicit substance.

Since sessions with SHEA GRAHAM LLC often involve discussing unpleasant aspects of your life, you may experience uncomfortable feelings of sadness, guilt, anger, frustration, loneliness, and helplessness. On the other hand, therapy has also been shown to have benefits for people who go through it. Therapy often leads to better relationships, solutions to specific problems, and significant reductions in feelings of distress. But there are no guarantees of what you will experience.

MEETINGS

If you are late, your session will still end on time to prevent overlap with the next person's session. If I am late, you will receive the standard amount of time for the session. To book a session, visit www.sheagrahamlcsw.com. We will agree on standard time and location for our sessions.

Please advise me, with as much notice as possible, when you have a holiday planned or need to change a session. I recommend you keep the momentum going wherever possible by committing to your booked sessions as it will support your progress and results.

To participate in Walk-and-Talk Therapy you must sign the informed consent form and abide by the Walk and Talk Agreement.

PROFESSIONAL FEES

SHEA GRAHAM LLC fee per 60-minute session is \$97 per session. A 45-minute session is \$80 and a 30-minute session is \$64. For clients who do not have insurance, full payment is expected at the time of service. You can submit payment online through Simple Practice using shea@sheagrahamlcsw.com. After the session, if you have an in-network deductible and your insurance company denies your claim, you will be billed automatically by Simple Practice for the difference (fee adjustment). I will not refund the fee adjustment, but I will provide a superbill to request a reimbursement from your insurance company.

INSURANCE IS ACCEPTED UNDER THE FOLLOWING CONDITIONS:

- All co-payments are due to SHEA GRAHAM LLC at the time of service.
- The client agrees to pay all deductibles, coinsurance, and services deemed "patient responsibility" as identified by the insurance carrier.

- Deductibles, coinsurance, and patient portions are billed monthly on receipt of the patient's insurance statement from the insurance carrier regarding your patient claim. YOU, the patient, are responsible to render payment once billed for the remainder. Patients are fully responsible for obtaining any necessary prior authorization or referral from another physician before the appointment time. Claim payments denied due to lack of referral or pre-authorization become the patient's responsibility.

An outstanding balance will incur additional charges. You must keep a card on file in the client portal. Clients with an outstanding balance of \$100 or more will not be able to schedule future appointments. All outstanding fees will be automatically charged on the 20th of each month.

Clients are expected to pay the standard fee at the time of service unless other arrangements have been made. PLEASE NOTE: Therapist time spent outside of session including, but not limited to telephone conversations, emails, site visits, writing and reading of reports, consultations with other professionals, release of information, reading records, longer sessions, travel time, etc., will be charged at \$97/hour prorated by 15-minute intervals, with a minimum of 15 minutes.

Therapist's time spent outside of the session that is billed to the client also applies to paperwork, including disability forms, requests for accommodations, or other documentation requested by the client. Written reports are an additional \$97. These services are NOT covered by health insurance and therefore must be paid in full by the client. There is no charge for phone calls to make or change appointments or give referrals.

There are times when insurance misquotes benefits. In the event of a misquote, clients are still responsible for their copay/coinsurance/deductible amount that insurance reports after claims are submitted. Not all issues/conditions/problems that are dealt with in psychotherapy are reimbursed by insurance companies. It is your responsibility to verify the specifics of your coverage. Clients can call their insurance company to check their own benefits by calling the number on the back of their insurance card.

NO SHOW FEES

If you are unable to keep an appointment, please notify me by phone immediately. Please call to cancel or reschedule your appointment with at least 24 hours' notice, otherwise, you will be billed for the session. I have a 24-hour cancellation policy, leaving a voice mail message is required instead of other forms of communication such as an email or text.
